...kickoff event and panel discussion...

Science and the Information Ecosystem: Building an Encyclopedia of Puget Sound

- › Join leading experts from organizations such as the Encyclopedia of Life and the Encyclopedia of Earth.
- › Meet our new editorial board.
- › Learn how online communication tools are changing the way we think about ecosystem science.

**Celebrate the launch
of a new effort to
synthesize and share
scientific information
about Puget Sound
recovery.**

Wednesday, October 24th, 2012
